## **Hough Street Closure in Barrington for CN Railroad Repairs**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that Hough Street (Illinois 59) will be fully closed at the Canadian National Railroad crossing south of Northwest Highway (U.S. 14), in Barrington, beginning, weather permitting, Friday, October 7. The closure is necessary for repairs at the grade crossing.

In order to complete the repairs, Hough Street will be closed at the crossing between Northwest Highway (U.S. 14) and James Street from Friday, Oct. 7 to Tuesday, Oct. 11. A detour will direct southbound Hough Street traffic east on Northwest Highway and west on Main Street to reconnect with Hough Street. Northbound Hough Street traffic will take the reverse route.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
